2 Introduction This booklet is a follow-up to the similar previous booklet, A Christian Physicist Examines the Age of the Earth. In that booklet I discussed reasons for the controversy over this issue and how

A Christian Physicist Examines the Big Bang Theory

However, this project focuses on the integration of physics and Christian faith in first-year engineering students. The most applicable reference for this work was found to be Sean Cordry's article (2007) on a pedagogical approach to integrating science/faith/origins (SFO) into college-level introductory physics courses at a Christian college.

Relating Christian Faith to Physics for Scientists and
