A Christian physicist friend of mine once said "there are lots of physicists who are Christians " I think it's

because if you can believe physics you can believe anything!" One has to admit there are aspects of modern physics that do seem to require a bit of a 'leap of faith' to accept!

Studying Physics? - bethinking.org

about the influence of Quantum Physics on Christianity. One of our members, Rev. Seiichi Ariga, Ph.D. is both a Christian Minister and Physicist. So, I emailed Seiichi and posed a couple questions to him:

Quantum Physics as proof for the existence of God by

One Christian's Perspective on Quantum Mechanics ... Physicist Feynman says that we have to learn about the behavior of atoms "in a sort of abstract or imaginative fashion and not by connection with our direct experience." Christians have the same sort of problem when learning about God. ... "Examine everything carefully; hold fast to that ...

One Christian's Perspective on Quantum Mechanics

While Christian Philosophy is a separate book in its own right, it is also a companion to our Drama of Scripture: Finding Our Place in the Biblical Story and Living at the Crossroads: An Introduction to Christian Worldview , both
