The babysitter and the man upstairs â€™ also known as the babysitter or the sitter â€™ is an urban legend that dates back to the 1960s about a teenage girl babysitting children who receives telephone calls from a man who continually asks her to "check the children". The basic storyline has been adapted a number of times, including in Foster's Release (1971), Black Christmas (1974), O Anjo da ...

For all his fame and celebration, William Shakespeare remains a mysterious figure with regards to personal history. There are just two primary sources for information on the Bard: his works, and various legal and church documents that have survived from Elizabethan times. Naturally, there are many gaps in this body of information, which tells us little about Shakespeare the man.
