The child-parent relationship has a major influence on most aspects of child development. When optimal, parenting skills and behaviours have a positive impact on children's self-esteem, school achievement, cognitive development and behaviour.

**Parenting skills: Parent management training interventions**

Paraphilia (previously known as sexual perversion and sexual deviation) is the experience of intense sexual arousal to atypical objects, situations, fantasies, behaviors, or individuals. Such attraction may be labeled sexual fetishism. No consensus has been found for any precise border between unusual sexual interests and paraphilic ones. There is debate over which, if any, of the paraphilias ...
