

**accent english sounds of pdf**

Scottish English includes the varieties of English spoken in Scotland. The main, formal variety is called Scottish Standard English or Standard Scottish English (SSE). Scottish Standard English may be defined as "the characteristic speech of the professional class [in Scotland] and the accepted norm in schools".

**Scottish English - Wikipedia**

Accents and dialects vary widely across the Great Britain, Ireland and nearby smaller islands. As such, a single "British accent" does not exist. However, someone could be said to have an English, Welsh, Scottish or Irish accent, although these all have several different sub-types.
