Miniature wargaming is a form of wargaming in which players simulate battles between opposing military forces using miniature models of soldiers, artillery, and vehicles on a model of a battlefield. This is in contrast to other wargames which use abstract pieces such as counters or blocks to represent military units. The visual and tactile satisfaction of fully painted models moving around a ...

Miniature wargaming - Wikipedia

Miniature wargaming is a form of wargaming where units on the battlefield are represented by miniature models, as opposed to abstract pieces such as wooden blocks or plastic counters. Likewise, the battlefield itself is represented by a scale model, as opposed to a flat board or map. Miniature wargaming tends to be more expensive and time-consuming than other forms of wargaming.
