Intellectual capital is the intangible value of a business, covering its people (human capital), the value relating to its relationships (relational capital), and everything that is left when the employees go home (structural capital), of which intellectual property (IP) is but one component. It is the sum of everything everybody in a company knows that gives it a competitive edge.

Intelligence-led policing (ILP) is a policing model built around the assessment and management of risk. Intelligence officers serve as guides to operations, rather than operations guiding intelligence.. Calls for intelligence-led policing originated in the 1990s, both in Britain and in the United States.In the U.S., Mark Riebling's 1994 book Wedge - The Secret War between the FBI and CIA ...
