Populous: The Beginning is a real-time strategy video game and is the third entry in the Populous video game series, developed by Bullfrog Productions. The game was released in 1998 on Microsoft Windows, and in 1999 for the PlayStation. Unlike earlier games in the series, which cast the player in the role of a god influencing loyal followers, The Beginning took a radical departure and placed the ...

Video game development is the process of creating a video game. The effort is undertaken by a game developer, who may range from a single person to an international team dispersed across the globe. Traditional commercial PC and console games are normally funded by a publisher, and can take several years to reach completion. Indie games can take less time and can be produced at a lower cost by ...
