Car Sex Tips - How To Have Sex in a Car - Cosmopolitan

Cars have historically represented the freedom to go places, to make choices and to pursue many paths, perhaps even those leading to the unknown or the unexplored. A look at the early history of car advertising and car clubs that lobbied for better roads and more access to the great American landscape reveals that cars were sold as machines of ...

Blog Post | It's Not Just Your Car, It's Your Freedom

This article examines how understandings of women's new political and social status were constructed in car advertisements that appeared in Vogue during the post-suffrage age, and how the discourse presented in these ads was used to promote ideas regarding women's liberation while also delineating the limits of this freedom. Focusing on cars as a consumer product that was highly associated with ...

A car (or automobile) is a wheeled motor vehicle used for transportation. Most definitions of car say they run primarily on roads, seat one to eight people, have four tires, and mainly transport people rather than goods. Cars came into global use during the 20th century, and developed economies depend on them. The year 1886 is regarded as the birth year of the modern car when German inventor ...

We view the sexualization of girls as occurring along a continuum, with sexualized evaluation (e.g., looking at someone in a sexual way) at the less extreme end, and sex-

Sexualization of Girls 2010

Nice cars have always had a certain "wow" factor, and men have always tried to utilize their car's sex appeal to impress women. Whether it's the look and design of the car that a man drives, or the make and price tag on the car (in many cases it's both), women seem to love a man in an expensive, good-looking car.
