AANP - American Association of Naturopathic Physicians

FAQ #2: What is Naturopathic Medicine View the printable PDF version. Naturopathic medicine is a distinct practice of medicine that emphasizes prevention and the self-healing process to treat each person holistically and improve outcomes while lowering health care costs.

AANP - American Association of Naturopathic Physicians

Naturopathy or naturopathic medicine is a form of alternative medicine that employs an array of pseudoscientific practices branded as "natural", "non-invasive", and as promoting "self-healing". The ideology and methods of naturopathy are based on vitalism and folk medicine, rather than evidence-based medicine. Naturopathic practitioners generally recommend against following modern medical ...

Naturopathy - Wikipedia

Patients and family often looking for alternatives to mainstream medicine for a variety of reasons: Side effects of medications, particularly prednisone and other immune suppressants. Medications often not successful at bringing remission. Cost of medications can be prohibitive for many families. Personal preferences toward natural remedies.
