One popular argument for expanding private school choice is that public schools will improve their own performance when faced with competition for students.

Does Competition Improve Public Schools? - Education Next

Competitor analysis in marketing and strategic management is an assessment of the strengths and weaknesses of current and potential competitors. This analysis provides both an offensive and defensive strategic context to identify opportunities and threats. Profiling combines all of the relevant sources of competitor analysis into one framework in the support of efficient and effective strategy ...

Competitor analysis - Wikipedia

A bodyskin is a style of competitive swimwear worn by both female and male athletes. Bodyskins are normally made of technologically advanced lycra-based fabrics designed to hug the body tightly and provide increased speed and decreased drag resistance in the water.. The bodyskin resembles the design of a dive skin, commonly used by snorkelers and scuba divers for warm weather climates.

Competitive swimwear - Wikipedia

Save; Share; These new types of products alter industry structure and the nature of competition, exposing companies to new competitive opportunities and threats.
