This book is intended primarily to arouse the interests of graduate engineers, assistant engineers and engineers in the technical aspect of civil engineering works. The content of the book mainly focuses on providing the reasons of adoption of the various current practices of civil engineering.

### **200 Questions and Answers on Practical Civil Engineering**

It is one of the most extreme engineering projects in World History, to build a 35 miles long tunnel under the Alps Mountains. It is the longest tunnel in the world. This could not be possible without world's strongest drilling machines, each more than 3 stories high and longer than 4 football fields, drilling 24hrs a day for 6 years.
