Biological Sciences Department at Michigan Tech offers a wide selection of undergraduate and graduate degree programs in Biological Sciences including Medical Laboratory Science, Medical, Pre-Med and Bioinformatics fields.

Biological Sciences | Michigan Technological University

The history of biochemistry can be said to have started with the ancient Greeks who were interested in the composition and processes of life, although biochemistry as a specific scientific discipline has its beginning around the early 19th century. Some argued that the beginning of biochemistry may have been the discovery of the first enzyme, diastase (today called amylase), in 1833 by Anselme ...
