

economics grade 12 preparatory pdf

Twelfth grade, senior year, or grade 12 is the final year of secondary school in North America. In other regions it is also equivalently referred to as class 12 or Year 13. In most countries students then graduate at age 17–18. Some countries have a thirteenth grade, while other countries do not have a 12th grade/year at all. Twelfth grade is typically the last year of high school; graduation ...

Education in the United States is provided by public, private and home schools.. State governments set overall educational standards, often mandate standardized tests for K–12 public school systems and supervise, usually through a board of regents, state colleges, and universities. Funding comes from the state, local, and federal government. Private schools are generally free to determine ...
