I want to use OpenOffice.org to produce some forms for students to fill in and email to their instructors. I want these forms to be in PDF so students can use Adobe Reader (or any other PDF viewer with form-filling capability, if there are any, or any browser equipped with the Adobe Reader plug-in) to fill them in.

Design is the creation of a plan or convention for the construction of an object, system or measurable human interaction. Design has different connotations in different fields (see design disciplines below). In some cases, the direct construction of an object (as in pottery, engineering, management, coding, and graphic design) is also considered to use design thinking.
