

geotechnical engineering lecture notes pdf

Geological Indicators of Flooding. A map illustrating where flooding has happened, and left geological indicators, in the last tens of thousands of years; useful to insurers, planners and to all those involved in trying to understand where floods might happen in the future.

Flooding information | Shallow geohazards and risks

This degree includes an integrated foundation year if you don't have the appropriate subjects and/or grades for direct entry to year 1 of the degree. The foundation year helps you develop your knowledge in mathematics and other important subjects to enable you to proceed confidently through the remainder of the programme.
