I use How Societies Work in my Sociology course in the Seneca College's School of Public Safety and Police Studies. It is not the sort of book that is commonly to be found in the hands of aspirant police officers, and that is precisely why I like it.

College Quarterly - Notes - How Societies Work: Class

In contrast to most introductory textbooks, How Societies Work explores a broad range of sociological concepts and theories while simultaneously creating a coherent picture of modern societies. Drawing on fields as diverse as anthropology, genetics, economics, social psychology, history and politics, this innovative and popular text looks at both the roots of modern societies and the current structures within them.

How Societies Work: Class, Power, and Change in a - Amazon

Sociology is the systematic study of human society and social interaction. The discipline of Sociology enables us to look beyond our limited view of the world to society as a whole, where we can examine the values, beliefs, ideas and institutions that comprise it, and the forces that change it.

DEPARTMENT OF SOCIOLOGY

Social class has an odd place in sociology. On the one hand, class is prominently featured in many core aspects of the discipline. Its centrality has a long lineage: the theoretical foundations for studying social class were established by many of the leading figures of sociology, including Marx and Weber (Wright 2005).

A classification society (however called) is a non-governmental organization that establishes and maintains technical standards for the construction and operation of ships and offshore structures. Classification societies certify that the construction of a vessel comply with relevant standards and carry out regular surveys in service to ensure ...

Classification society - Wikipedia

Society is made up of individuals who have agreed to work together for mutual benefit. It can be a very broad term, as we can make generalizations about what the whole of Western society believes, or it can be a very narrow definition, describing only a small group of people within a given community.
