Corruption Greetings and good-after noon to all of you. My speech today will address the topic corruption and especially political corruption. Everything in this era revolves around the decisions made by powerful people in society, particularly governmental people and politicians and many of them resort to misuse power for personal gains such as money, luxuries or even more power.

The culture of the Philippines is a combination of cultures of the East and West. Filipino identity was created primarily as a result of pre-colonial cultures, colonial influences and Chinese traders intermixing together; gradually evolving into a uniquely Filipino identity. In pre-colonial times, the Philippines was a divided set of nations, islands and tribes being ruled by their own kings ...

Education in the Philippines is provided by public and private schools, colleges, universities, and technical and vocational institutions. Funding for public education comes from the national government.. At the basic education level, the Department of Education (DepEd) sets overall educational standards and mandates standardized tests for the Kâ€“12 basic education system, although private ...
