Georgism, also called geoism and single tax (archaic), is an economic philosophy holding that, while people should own the value they produce themselves, economic value derived from land (often including natural resources and natural opportunities) should belong equally to all members of society. Developed from the writings of the economist and social reformer Henry George, the Georgist ...

The press has a great many stories about Oxfam this morning. The Times is heavily targeting the charity over the conduct of some of its staff in Haiti in 2011. The facts seem to be well summarised by the Guardian. Let me be unambiguous: what these staff did was wholly unacceptable. And let's also ...
