What is Notch Therapy? Notch, or window, therapy is a Tinnitus therapy that can reduce the intensity of your Tinnitus by simply listening to special audio tracks on your audio player, car stereo, etc.

Notch Therapy - DIY Tinnitus Treatment

Anything that was once living can be hot composted – and I really do mean anything. All manner of things, including strange additions such as wool and cotton clothing, bones, leather boots, even things like – roadkill, i.e. dead animals, but these have to go in the very centre of the heap to break down properly.

Hot Compost – Composting in 18 Days | Deep Green Permaculture

The first dimensional step is to turn down the cylinder, leaving a raised ridge of 37 mm diameter, ready to take on the outside threads. I chose to thread a length of 5 mm, which was about twice the length of the inside threads on the camera turret.

Making Digital Camera Microscope Adapters - TrueTeX

How to build aquariums. Building an aquarium is easily the most popular and sought after aquarium project. For good reason: The savings are potentially huge and the ability to customize the exact dimensions and overall look of the aquarium is completely up to you.

About – The king of DIY

Attached is a breakdown of the components and the cost of the machine. The hardware and aluminium were purchased in batches from local home improvement stores as a matter of convenience as the design progressed and those prices are shown.

Make Your Own DIY CNC - Instructables.com

Autonomy or autonomous behavior is a contentious term in reference to unmanned vehicles due to the poor understanding of whether something acting without outside commands is doing so through its own ability to make decisions or through a method of decision making pre-programmed into it. It is a quality which is rather abstract in nature and rather difficult to measure.

Autonomy - Wikipedia

This is a very cute idea and I love the decorated jar. I had a special friend when my children were young who would do personalized memory games for a present by going to the child's home and take photos of special toys, family, pets, bedrooms, and just anything special to that child.

DIY Paper Popsicle Memory Game – Eat Drink Chic

After searching in vain for the perfect loft bed, we finally just decided to make one ourselves. We wanted one that would be comfortable with our 8-ft. ceilings, but that would also leave lots of space underneath for our 8-year old to hang out.

Build our loft bed! | Adventures in DIY

As a military family, we move around a lot, which means we need furniture that can easily be assembled and disassembled. After a bit of searching online, I found these metal bed rail brackets and they were a dream to install. You just screw them into the wood and the two pieces hook into each other.
