Last week, the team donated the necessary robotics equipment and provided a fun robotics demonstration in front of the entire school! In addition to the students, members of the team also shared their robotics experiences with a Bristol VA Public School Board Member, the Principal, and reporters from the local television news station and newspaper.

A Record of Attendance Form is included free with each webinar for your record keeping and individual PDH verification. We ask your on-site coordinator to return the completed and signed copy of the Form to us following the webinar for (1) maintaining a separate copy as a service to attendees and (2) forwarding to NIU confirming attendance for those who order certificates.

A couple of years after that news and more stories of black and other minority progress on GCSEs, GL Assessment, an independent testing organization, published results of their Cognitive Assessment Tests (CAT), indicating the performance of different ethnic groups. The CAT, though given to children at age 11, is highly correlated with GCSE results at age 16.
