Create, print, and sell professional-quality photo books, magazines, trade books, and ebooks with Blurb! Chose from several free tools or use Adobe InDesign or Adobe Lightroom.

### **Blurb - Create, Print, and Sell Professional-Quality Photo**

Photography is the art, application and practice of creating durable images by recording light or other electromagnetic radiation, either electronically by means of an image sensor, or chemically by means of a light-sensitive material such as photographic film. It is employed in many fields of science, manufacturing (e.g., photolithography), and business, as well as its more direct uses for art ...

### **Photography - Wikipedia**

Documentary photography usually refers to a popular form of photography used to chronicle events or environments both significant and relevant to history and historical events as well as everyday life. It is typically covered in professional photojournalism, or real life reportage, but it may also be an amateur, artistic, or academic pursuit.

The new Nikon D500 surely looks amazing and very promising – much more exciting than the new Nikon D5 in my opinion, which is surely impressive, especially for those who need such a high-end tool. While we have written about the standard specifications of the D500 and its amazing features, like ...
