Modal verbs and their features. The verbs customarily classed as modals in English have the following properties: They do not inflect (in the modern language) except insofar as some of them come in presentâ€“past (presentâ€“preterite) pairs. They do not add the ending -(e)s in the third-person singular (the present-tense modals therefore follow the preterite-present paradigm).

Introduction. Students are led through a series of activities to create profiles for imaginary characters who live in the same neighbourhood. The lesson then brings these characters together at a neighbourhood party, where students can practice asking and answering simple questions about work, family, hobbies and so on.
