The cell (from Latin cella, meaning "small room") is the basic structural, functional, and biological unit of all known living organisms. A cell is the smallest unit of life. Cells are often called the "building blocks of life". The study of cells is called cell biology. Cells consist of cytoplasm enclosed within a membrane, which contains many biomolecules such as proteins and nucleic acids.

Cell (biology) - Wikipedia

The nucleolus (/nj uːˈkliːˌoʊləs/, plural: nucleoli /-lɑː/) is the largest structure in the nucleus of eukaryotic cells. It is best known as the site of ribosome biogenesis. Nucleoli also participate in the formation of signal recognition particles and play a role in the cell's response to stress. Nucleoli are made of proteins, DNA and RNA and form around ...

Nucleolus - Wikipedia

Your ability to perceive your surroundings "to see, hear, and smell what's around you" depends on your nervous system. So does your ability to recognize where you are and to remember if you've been there before. In fact, your very capacity to wonder how you know where you are depends on ...

Single-cell transcriptomic analysis in patients with head and neck squamous cell carcinoma highlights the heterogeneous composition of malignant and non-malignant cells in the tumor microenvironment and associates a partial EMT program with metastasis.

Single-Cell Transcriptomic Analysis of Primary and

The dynamic and reversible N⁶-methyladenosine (m⁶A) RNA modification is installed and erased by N⁶-methyltransferases and demethylases, regulating gene expression and cell fate. We show that the m⁶A demethylase ALKBH5 is highly expressed in glioblastoma stem-like cells (GSCs). Silencing ALKBH5 suppresses the proliferation of patient-derived GSCs. Integrated transcriptome and m⁶A-seq analyses ...

m6A Demethylase ALKBH5 Maintains Tumorigenicity of

A not always very easy to read, but practical copy & paste format has been chosen throughout this manual. In this format all commands are represented in code boxes, where the comments are given in blue color. To save space, often several commands are concatenated on one line and separated with a semicolon ';
