Sanskrit can be called as a "language of consciousness", may be because it opens the door to India's rich spiritual literature. Sanskrit is not restricted to spirituality & religion, however, but also encompasses a vast literature of many genres; and for us to understand the beauty behind those copious beautiful texts, learning the Sanskrit language is a must.

Sanskrit Documents List: Learning Tools

Russian Translation: Theory and Practice is a comprehensive practical course in translation for advanced undergraduate and postgraduate students of Russian. The course aims to provide intensive exposure with a view to mastering translation from Russian into English while carefully analyzing the specific problems that arise in the translation process.

A foreign language is a language originally from another country than the speaker. However, there must a be defined distinction between foreign and second language. It is also a language not spoken in the native country of the person referred to, i.e., an English speaker living in Spain can say that Spanish is a foreign language to him or her. These two characterisations do not exhaust the ...
