Reference Book - A Real Estate Guide - DRE

A real estate broker or real estate salesperson (often called a real estate agent) is a person who acts as an intermediary between sellers and buyers of real estate/real property. Their mission is to complete documentation for a real estate transaction between the buyer and seller. In the United States, the relationship was originally established by reference to the English common law of agency ...

Real estate broker - Wikipedia

Real estate appraisal, property valuation or land valuation is the process of developing an opinion of value, for real property (usually market value). Real estate transactions often require appraisals because they occur infrequently and every property is unique (especially their condition, a key factor in valuation), unlike corporate stocks, which are traded daily and are identical (thus a ...
