Supplementary guidance to the Green Book on risk

Green Book supplementary guidance: risk - GOV.UK

The 21st century will be the designer's century, because the most interesting innovation is happening at the top of the stack – at the interface with end users – where technology meets design, and where a swipe right or a hold might decide the next breakout business. This book is for entrepreneurial designers who want

to know what it takes to start a company, and for non-designer ...

The Way to Design by Steve Vassallo
