The Cambridge Introduction to Narrative by H. Porter Abbott

David Morley discusses where creative writing comes from, the various forms and camouflages it has taken, and why we teach and learn the arts of fiction, poetry and creative nonfiction. He looks at creative writing in performance; as public art, as visual art, as e-literature and as an act of community.

What is narrative? How does it work and how does it shape our lives and the texts we read? H. Porter Abbott emphasizes that narrative is found not just in literature, film, and theater, but everywhere in the ordinary course of people's lives. This widely used introduction, now thoroughly revised, is informed throughout by recent developments in the field and includes two new chapters.
