The Imperative of Responsibility (German Jonas' writings were very influential in different spheres. For example, The Gnostic Religion, first published in 1958, was for many years the standard work in English on the subject of Gnosticism.

The Imperative of Responsibility: In Search of an Ethics

The essence of his argument is that the intrinsic value of life grounds ethics in being, and ultimately allows one to derive the moral imperative of responsibility for nature. Given the scale of the task, and the number of debates that it touches upon, Morris wisely devotes two chapters entirely to reconstructing Jonas's claims.
