

the lobbying and advocacy pdf

Lobbying, persuasion, or interest representation is the act of attempting to influence the actions, policies, or decisions of officials in their daily life, most often legislators or members of regulatory agencies. Lobbying is done by many types of people, associations and organized groups, including individuals in the private sector, corporations, fellow legislators or government officials, or ...

Lobbying - Wikipedia

Advocacy groups (also known as pressure groups, lobby groups, campaign groups, interest groups, or special interest groups) use various forms of advocacy in order to influence public opinion and/or policy. They have played and continue to play an important part in the development of political and social systems. Motives for action may be based on a shared political, religious, moral, health or ...
