Everybody immediately responds to subject matter in art. A picture of a butterfly and a picture of a snake do not get the same response. In addition to subject matter*, the formal aspects of visual composition are like the grammar of a language. In writing, a story is written with words - subject matter. Like good literature and good poetry is more than words and subject matter, art is more ...

Whole books are written about each of these art terms, filled with definitions, histories, insights, tips, and examples - these pages are just the tip of the iceberg. Each entry leads to its own page with some more information and examples, which should grow over time - feel free to make suggestions. Clicking on any of the example images will lead to more information about the artist or work.

Elements of Art/Design and Principles of Design

Visual design elements and principles describe fundamental ideas about the practice of visual design.. The best designers sometimes disregard the principles of design. When they do so, however, there is usually some compensating merit attained at the cost of the violation.
