Engineering education is the activity of teaching knowledge and principles to the professional practice of engineering.It includes an initial education (bachelor's and/or master's degree), and any advanced education and specializations that follow.Engineering education is typically accompanied by additional postgraduate examinations and supervised training as the requirements for a ...

Engineering education - Wikipedia

This is a very short but interesting book about statistical methods in physics, particularly in high energy physics. The book is present with a modern perspective; explain a little bit some very recent techniques and discussions about statistical techniques especially in the field of estimating interval coverage.

Statistical Methods for Data Analysis in Particle Physics

07 Mark Lynas from Oxford Farming Conference on Vimeo.. I want to start with some apologies. For the record, here and upfront, I apologise for having spent several years ripping up GM crops.

Lecture to Oxford Farming Conference, 3 January 2013

The energy efficiency in transport is the useful travelled distance, of passengers, goods or any type of load; divided by the total energy put into the transport propulsion means. The energy input might be rendered in several different types depending on the type of propulsion, and normally such energy is presented in liquid fuels, electrical energy or food-energy.

Energy efficiency in transport - Wikipedia

Business Process Management (BPM) research resulted in a plethora of methods, techniques, and tools to support the design, enactment, management, and analysis of operational business processes. This survey aims to structure these results and provide an overview of the state-of-the-art in BPM. In BPM the concept of a process model is fundamental.
